

Education Programs Internship

Victory Garden Initiative is a non-profit organization that builds communities who grow their own food as a way of life to create a community-based, ecologically sustainable, socially just and nutritious food system for all. We are a small, dynamic and rapidly growing organization seeking the right team member to join us in changing Milwaukee's landscape into a lush, food-producing city.

Position Description:

The Education Programs Internship is an opportunity to expand your knowledge of urban food production, gain connections with the Milwaukee food scene, and hone great communication skills while supporting the creation of a more sustainable and socially just food system. This internship will provide experience in curriculum development, education program planning and evaluation, event planning, community engagement, volunteer management, marketing, web-based design, and nonprofit management. This is an unpaid internship - students that qualify for school credit are encouraged to apply. Interns can also be hard-core volunteers that are not students!
